

COOKIE CONSENT NOTICE

We care about your privacy and want to be clear about how we use cookies. Cookies (not the chocolate chip kind, sadly) are tiny files saved on your device that help make your experience on our site smoother and more personal.

By using our blog, you're saying "yes" to cookies being stored on your device — unless you've turned them off in your browser settings.

Here's how we use cookies:

- Essential Cookies → Keep the site working properly (like navigation and security).
- Analytics Cookies → Show us what's working (and what's not) so we can keep improving.
- Preference Cookies → Remember your choices (like theme or language) so things feel just right for you.

You're always in control: you can manage or switch off cookies anytime in your browser settings. For more info, check out our full [\[Privacy Policy\]](#) and [\[Cookie Policy\]](#).
